## Continuation Sheet (PTOL-303)

Application No.

Continuation of 3. NOTE: The proposed amendment, if entered, would raise new issues that would require further consideration and search, since the amendment would cancel all previously examined claims and add new claim, which Applicant asserts recite limitations not met by any of the cited references, alone or in combination, that were previously relied upon by Examiner Helms.

Continuation of 11. does NOT place the application in condition for allowance because: Applicant's request for reconsideration is predicated upon entry of the proposed amendment, which will not be entered for the reasons addressed above.
